

## Process Instrumentation and Heat Trace Specialists

 <p><b>Heat Tracing Solutions</b> Formerly Pentair Thermal Controls. The leader in Heat Trace solutions for the industrial and commercial markets.</p>	 <p>Co-innovating tomorrow™ <b>Instrumentation and Controls</b> Field Instruments, Process Analyzers, Data Acquisition, Industrial Networking, Control Systems and Solution-based Software</p>		
 <p><b>Fixed Gas &amp; Flame Detection</b> MSA is the industry leader in providing innovative, world-class permanent gas and flame detection instruments.</p>	 <p><b>Level and Flow Products</b> Guided Wave Radar, Pulse Burst Radar, RF Capacitance, Contact and Non-Contact Ultrasonic, Thermal Dispersion, Buoyancy/Float.</p>		
 <p><b>Magnetic Level Indicators</b> MLI's - Atlas, Aurora, Gemini, Transmitters - Jupiter, Eclipse,</p>	 <p><b>Generator Monitoring</b> Generator Condition Monitor, Generator Gas Dryers, Gen-Tags, Portable Hydrogen Gas Analyzer, Hydrogen Purity Analyzer.</p>	 <p><b>Liquid Analytical Instruments</b> Sodium, Dissolved Oxygen, Silica, Conductivity, pH/ORP, Turbidity</p>	 <p><b>Technical Service Group</b> Our Technical Service Group personnel are factory-trained professionals in heat-trace system design, installation and troubleshooting.</p>
 <p><b>Temperature and Pressure</b> Bimetal thermometers, pressure gauges, diaphragm seals, RTD's, Thermocouples. Pressure and Temperature transmitters.</p>	 <p><b>Temperature Sensors</b> RTD Sensors, Thermocouples, Thermowells, Connection Heads, Temperature Transmitters, Sensor Accessories.</p>	 <p><b>Pressure Gauges</b> Direct Drive Pressure Process and Test Gauges.</p>	 <p><b>Digital Indicators</b> Digital Panel Meters, Temperature Controllers, Annunciators, Scanners, Pressure Gauges and Enclosures.</p>
 <p><b>Calibration Instruments</b> Crystal Pressure, Jofra Calibration, M&amp;G Calibration. leading manufacturers and developers of calibration instruments for temperature and pressure.</p>	 <p><b>Industrial Unit Heaters</b> Global supplier and manufacturer of industrial and explosion-proof unit heaters for hazardous and severe duty locations</p>	 <p><b>Heated Emergency Stations</b> Safety shower equipment for industrial facilities. Products include pre-traced and pre-insulated eyewash safety shower stations and fully-enclosed shower units</p>	 <p><b>Integration Service</b> Full-service systems Integration Company</p>
